Day 1, Sun Nov 22 — *On Life and Strife*

Is life supposed to be a constant strife and conflict? Why am I here? The four milestones as extolled by the 'eternal wisdom' of Bharat, if understood and applied correctly, ushers in meaning to living. The alchemy of passion into compassion is the secret of our scriptures.

Day 2, Mon Nov 23 — *Mind Matters*

What is my true potential? What is the role of acceptance in shaping my character? What lies in front of us and behind us pales in comparison to what lies within. Increase your mind power with a proven mantra meditation technique.

Day 3, Tue Nov 24 — *Joyful Living*

Are joy and love conditional? Am I capable of leading a sorrow-free life? Deep joy is the birthright of every human, bestowed by the Almighty. The science of joyful living, with its supporting pillars of inner acceptance and awareness, shall bring in the first beams of inner light, as meditation is taken to the next level.

Day 4, Wed Nov 25 — *A New Beginning*

What is our true nature? What is this state of just 'being'? What is true religious living? What is the underlying harmony behind life's discordant notes of conflict? Choose the path of intelligent living!
